HOLIDAY DINNER PARTY
December 12, 2011, Monday, 5:30 p.m.
At Kent State Trumbull Campus, Room 211W

The holidays are just around the corner and we have a 'surprise' for you.

Join us December 12th when Dr. A. Sheyesteh will be here to present "Waist Management (not waste management). This will be our only meeting of the year where we do not have a quality topic. The real purpose of meeting is to discuss our well-being so we can continue being productive not only in the workforce, but in our personal and family lives. With that in mind, we are also requesting you invite your spouses, friends and family members. It is an opportunity for them to see where we meet, to meet fellow members and to enjoy the presentation also.

Speaker: Dr. A. Shayesteh, PhD, Clinical Nutrition

- Board Certified Nutritionist & Diabetes Educator
- Licensed with the Ohio Board of Dietetics
- 20+ years in private practice
