

ASQ Youngstown-Warren Section 0805

February 2007

Membership Meeting – February 12, 2007

Join us for the February meeting of the 2006-2007 year. The February ASQ Meeting will be held at Kent State University, Trumbull Campus. We will meet in room 117 in the Technology Building. Upon completion of chapter business, we will tour the Technology Building. Join us to see what equipment and services are available to assist us in training employees, product development, product testing, and more. Feel free to bring co-workers who may have an interest in this technology.

The facility includes a state-of-the-art Metrology/CMM Lab with Brown & Sharp CMM's (Coordinate Measurement Machines). Kent State's CMM Technician will demonstrate the capabilities of CMM for use with product layout, first article inspections, capability and statistical studies and more. We will also discuss the integration of CMM with CNC equipment for in-process inspections.

Other Labs and equipment include: Materials Testing, Rapid Prototyping, Hydraulics, Pneumatics, Vacuum system, electronics, CNC and machining, Robotics, Lasers, AutoCad, High Tech Manufacturing, microprocessors, and more.

Pizza will be brought in after the Tour. Directions are available on the next page.

To make your reservations, please e-mail jwwaid@earthlink.net **before 5:00 p.m. on Friday February 9th**. This can be fast and easy if you just click on the address and when your e-mail form comes up, just put in your reservation(s) for the number of people attending.

There is no Pre-Meeting Technical session this month.

Section officer elections:

The election of Section Officers for the 2007/2008 meeting year will be conducted during the regular monthly meeting on Monday, March 12, 2007. Nominations are now open for the following positions: Section Chair, Chair Elect, Vice Chair, Secretary and Treasurer. The balance of the positions are for volunteers (see below). Contact Doug Sewell (Nominations) at dmsewellassoc@cs.com or call (330) 219-4162 with your nomination(s) by Sunday, March 11, 2007. Thank you.

Help wanted:

The Youngstown/Warren Section is in need of some volunteers to fill a few positions in the Section Leader Team. No experience needed, and most positions require only 4 or 5 meetings a year. Come work with some great people and help the Section better serve its members. Section elections are scheduled for March and we'd like some help. For more information, or to volunteer, contact Doug Sewell at dmsewellassoc@cs.com or call (330) 219-4162. Pitch in and help us. Thank you.

Speakers needed:

The Section is starting to plan for the 2007/2008 meeting year and we are looking for speakers for the September, October and November meetings. We need three pre-dinner technical session speakers and three after dinner speakers. By now, many of you are just as tired of listening to the "regulars" as we are in preparing and then giving the presentations. Let's get some fresh speakers with new topics. Either volunteer to give a talk or give us the name and contact information of someone you have heard other than at a ASQ YW meeting. Help us make our meetings better. Contact Doug Sewell at dmsewellassoc@cs.com or call (330) 219-4162 and volunteer now. Thank you.
