

ASQ Youngstown-Warren Section 0805

November 2006

Membership Meeting – November 13, 2006

Join us for the November meeting of the 2006-2007 year. The meeting will be held, as usual, on the second Monday of the month at Café 422. All members are invited and anyone else interested in the quality field. Please feel free to invite your associates.

Attend the presentation and the technical meeting at no charge. Dinner is just \$15.00 for members with prior reservations, and \$17.00 for non-members and those not making a prior reservation; with the following menu choices: Italian Sampler, Grilled Chicken, Pork Chops or Broiled Cod (or attend the presentation only at no charge). To make your reservations, please e-mail jwwaid@earthlink.net **before 5:00 p.m. on Friday November 10th**. This can be fast and easy if you just click on the address and when your e-mail form comes up, just put in your reservation(s). Please note there has been a change to our dinner format from previous years. You no longer need to pre-select your choice.

5:00 – 6:00 PM Pre-Meeting Technical: The first presentation is **Statistics using Excel**, presented by Bill Katko. Not that this will ever happen, but in the event you are ever asked to provide a data analysis in 10 minutes for a meeting at 4:50 PM using production data for the last year, there is a tool that you may not know exists within Microsoft Excel that may help you. During our pre-meeting technical clinic, Bill Katko – Director of Commercial and Technical Services for McDonald Steel will provide an introduction to “Using Pivot Tables”. If you have a laptop with Excel

installed, please feel free to bring it as Bill will make the fictitious database available that he will be using so you can also analyze it as the topics are presented on the screen.

Bill has been a member of ASQ since 1984 and is a Senior Member having served in a variety of capacities with our section since transferring here in 1992 from the Akron-Canton Section.

Dinner will be at 6:00 – 7:00 PM.

Presentation at 7:00 PM Metrics and Improvement

Leap to new levels of organizational performance and create lasting improvement. Our speaker will offer a metrics-based approach to performance improvement that works for companies large and small. Based on 45 years of industrial experience and infused with the practical aspects of modern leadership thinking, these methods will help your company overcome obstacles that are impervious to traditional practices.

Doug Sewell is an independent consultant with over 40 years experience in quality systems and performance improvement. He is an ASQ CQMgr and CQE.
